Our moving prices are based on a minimum of 4 hours, including travel time. For the regions of Brussels, Leuven, Mechelen, and Ghent, we account for half an hour for the outbound trip and half an hour for the return to our depot. The first 50 kilometers are free of charge. Beyond this distance, we charge €1 per kilometer. Furniture assembly and disassembly are available, and our movers will bring their toolbox upon request. If we are unable to find a solution over the phone (if you have questions about the type of truck), we will be happy to visit you free of charge and without obligation. Please feel free to contact us if you have any questions about which service to choose! We will be happy to assist you! For more information, visit our website : www.actimovers.be.
